

SPECIFICATION AMENDMENTS

Kindly amend the original filed specification as follows.

Please replace the paragraph beginning at page 8, line 6, with the following rewritten paragraph:

A | As shown in Fig. 5, the collapsible chair 1 cushioned seat and back support further comprises a pair of arm rest arrangements 29 for supporting the user's arms thereon wherein arm rest arrangement 29 comprises a pair of supporting arms 291 upwardly extended from the two front upper frame joints 14 of the foldable chair frame 10 respectively and a pair of fabric arm supports 292 extended between the back frame legs 111, 112 and the supporting arms 291 respectively so as to substantially provide an arm rest area of the collapsible chair 1.
